##Full Stack Web Developer | Aspiring Software Engineer |
JavaScript | React | Node.js | Java | C/C++ | Problem Solver | IUT-
CSE'23

Dhaka, Bangladesh

Summary

!

I'm , an Aspiring Software Engineer and Tech Enthusiast, currently pursuing Software Engineering at Islamic University of Technology (IUT). I'm passionate about Full-Stack Web Development with hands-on experience in HTML, CSS, Tailwind CSS, JavaScript, React ,Node.js and MongoDB. I'm also deeply interested in , , .

, I love breaking down complex challenges and crafting efficient solutions through code. I'm proficient in C & C++ and have a decent academic background, achieving GPA-5.0 in both SSC (Cumilla Zilla School) and HSC (Cumilla Victoria Government College).

Beyond Academics: You'll find me exploring tech blogs, experimenting with new frameworks, or diving into a great book. I'm always eager to learn, adapt, and innovate in the ever-evolving tech landscape.

? To grow as a versatile developer, collaborate on impactful projects, and contribute to the tech community. Let's connect and build something extraordinary!

Skills & Interests:

--Full-Stack Development: HTML | CSS | Tailwind CSS | JavaScript |
React | Node.js | MongoDB

--Programming: C | C++

--Tech Interests: AI | Machine Learning | Blockchain

Let's connect and grow together!
